## EDUCATION

### BS

#### Fast National University

*Chinot Faisalabad Campus*

*Major*

- Bachelors in Computer Science

### Intermediate FSC

#### Punjab Group of Colleges

*2018 - 2020*

*Discipline*

- Pre-Engineering

## EXPERIENCE

### Event Managemant System

#### University Project

*Developed an event management system using Windows Forms, integrating SQL databases for robust data management and leveraging SMTP to confirm successful user registrations via email.*

### E-Commerce Website

#### University Project

*Developed a comprehensive e-commerce website using the MERN stack, incorporating Google Login for user authentication and creating separate dashboards for admin and users. The admin dashboard allows management of users and products, while the user interface offers functionalities to browse, buy, or rent products, culminating in a streamlined checkout process that includes entry of delivery and other necessary details.*

## SKILLS

SQL Database Management

Web Development

Social Media Handling

Problem Solving

## PERSONAL PROJECTS

### Portfolio Website

- Developed a visually appealing portfolio website using HTML, CSS, and JavaScript, featuring multiple pages including 'About', 'Skills', and 'Projects' to showcase professional achievements and capabilities.

### Web Weather App

- Developed a web-based weather application utilizing HTML, CSS, and JavaScript, with pure AJAX (XMLHttpRequest) for efficient API calls, enabling real-time weather updates.

## LANGUAGES

English

*Professional Working Proficiency*

Urdu

*Native or Bilingual Proficiency*
